

Board of County Commissioners • Escambia County, Florida

Randy Burns/Purchasing Manager  
Office of Purchasing

October 26, 2021

To: All Known Prospective Proposers

**ADDENDUM NUMBER 1:**

Re: PD 21-22.008, Engineering Design Services for Robinson Street Dirt Road Paving & Realignment Project

All:

Your firm recently received a Request for Proposals for the above-mentioned specification.

This Addendum Number 1 provides answers to submitted questions.

**Question 1:** Section IV. Submittal Requirements (Page 10) - For the 330 Part II are you wanting the revenues broken out for Escambia County or Florida? Can you clarify the section referenced below?

Referenced from solicitation:

PROFESSIONAL SERVICES REVENUES INVOICED AND PAID BY FIRM FOR LAST 3 YEARS

11. a. Escambia County Florida Board of County Commissioners

11. b. Non-Escambia County Florida Board of County Commissioners

**Answer 1:** *If the proposer has had revenues invoiced to the BCC, then that information will be sufficient. If the proposer has not had the aforementioned, then revenues invoiced for similar projects in FDOT District 3 will be acceptable. Should a proposer not have either of these, then a statement avowing so will be sufficient.*

**Question 2:** Can you clarify what specifically should be submitted as part of the Florida Department of Business and Professional Regulation – License(s), Certification(s), and/or Registration(s) on Page 2 of the solicitation? Are you asking for a business license or each team members licensing?

**Answer 2:** *We are looking for the Business License, Certification or Registration – not individual licenses.*

This Addendum Number 1 is furnished to all known prospective bidders. Please sign and return one copy of this Addendum, with original signature, with your bid as an acknowledgement of your having received same. You may photo-copy this form for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Randy Burns", written over a horizontal line.

Randy Burns  
Purchasing Manager
